Education

PlaygroundSquad	Vocational School for computer and console games.
2009 – 2010, Falun	Artist

Sandvikens Industri Utbildning AB	Vocational School
2005 – 2006, Sandviken	(CNC) Computer Numerical Control for Lathes and Cutters.

Bessemer Gymnasium	Upper Secondary School, Science programme.
1999 – 2003, Sandviken	

Work experience

Ruta ETT DVD AB
Sep 2011 – Dec 2011
Sep 2012 – Dec 2012

Intern-ship at Ruta Ett DVD productions, worked on their upcoming children feature, Heroes of the City. My work there includes environment, character modelling, rigging, animation and dynamics.

Tenstar AB
Nov 2010 – May 2011

Intern-ship at a small construction simulator company. I been working on complete five shipped titles with various tasks, mostly environments but also level design, hard-surface vehicle, clean-ups and restoration.

Sandvik (Industry)
1998 - 2005

Summer work between 98 – 99, tools test lab. Measurements of tools and database editing. Worked at their test lab, helped the programmers with development and prototyping. I also worked with computer numerical control for lathers and cutters at production.

Non-profit activity

Gästrike Airsoftförening
2002 – 2008, Sandviken

One of the founders to this little association. I was responsible for the arrangement and events under the period when the association was active.
